

## BGHOA Maintenance Committee – May 2021

The Maintenance Committee has responsibilities for oversight and execution of neighborhood maintenance in the BGHOA. This includes:

- Entryway Sign Area: Physical structure, electrical, lights, placement of equipment such as camera, vegetation, and lawn.
- Grass ways: On Common ground along Boxwood Green Drive, Richards Way, and others, not owned by property holders.
- Pump back areas: Land used by and the physical structures therein for the pump back systems along Boxwood Green as directed by the Force Main Policy of BGHOA
- Woods: on properties owned by BGHOA.
- Storage Lots: Gravel areas, fencing, gates, lights, shrubbery.
- Boat Launch: Dock, floater, ramp, asphalt area, stone wall, trees, grass
- Signage: selective signage along community roadways
- Beautification of BGHOA
